Grant Agreement between Fair Food Network and  
Marquette Downtown Development Authority

15 July 2022

This document serves to amend grant agreement DU-MI-19-70030-30400 which authorized Marquette Downtown Development Authority to administer the Double Up Food Bucks program and be reimbursed up to **\$4910** for Double Up Food Bucks incentives redeemed by SNAP customers at the Downtown Marquette Farmers Market. This reimbursement number is incorrect on the grant agreement, the Marquette Downtown Development Authority is authorized to be reimbursed up to **\$3,384** (\$1,134 in rollover funds, \$2,250 in newly granted funds) for Double Up Food Bucks incentives redeemed.

The grant was authorized on January 1, 2022, and ends December 31, 2022.

Fair Food Network will also reimburse up to an additional **\$7,000** for **Double Up Food Bucks redemption**. A total of **\$10,384** will now account for required program reporting.

All other terms of grant agreement remain the same.
