The Marquette Downtown Development Authority (DDA) invites groups and individuals to join the fun and set up a booth during the annual Blueberry Festival on **Friday, July 28, 2023, from 10 a.m. to 7 p.m.**

The Blueberry Festival is an extremely popular and exciting event that combines traditional sidewalk sales with a full day of family activities, sales and displays by artists & crafters, and live musical acts.

This highly attended and well publicized event provides a chance for food vendors, artists, crafters, and non-profit organizations to join in the festivities and 'Celebrate the Blueberry!' This is also an opportunity for groups and organizations to gain exposure, promote their services, and raise funds.

Vendors will be notified of their acceptance in early July, with vendor placement and arrival information to follow.

Potable water for vendor use is not available. Please bring any water you may need for the day.

Vendors with open flames must follow guidelines set forth by the Marquette Fire Department.

**Booth spaces and locations are not guaranteed.**

\* Vendors preparing food on-site must submit a copy of their health department license with application. Food products produced under the Cottage Food Law must conform to the regulations set forth in that legislation. All processing and packaging must be done by the vendor and have proper labeling. Tents must be non-flammable and booths must conform to all applicable fire codes.

Please return completed form and payment to:
