Mike Angeli, City Manager
City of Marquette
300 W. Baraga Avenue
Marquette, MI 49855

Dear Mike:

The current "Operating and Maintenance Agreement" between the City and the DDA for the DDA District expires on October 1, 2018. The DDA Board of Directors discussed the renewal of the agreement at their regular meeting this morning. The Board voted to request renewal of the agreement with the City and has instructed me to notify you of our intent to do so. The renewal will be based on modifications to the Agreement that better clarify both DDA and City roles and functions.

I look forward to working with City Staff on the details of the agreement.

Sincerely,
